THE PODIATRY FOUNDATION

Saturday, November 19, 2022
7:00 AM – 2:00 PM
6 Category I CME Hours

2022 Current Concepts and Treatments

WOUND CARE

SEMINAR

Hosted by the Ohio Foot and Ankle Medical Foundation

Saturday, November 19, 2022 | 7:00 AM – 2:00 PM
6 Category I CME Hours

Embassy Suites Columbus — Airport
2886 Airport Drive | Columbus, OH 43219

THIS ONE-DAY SEMINAR will present current concepts and treatments for wound care patients. Presentations will include reviewing all facets of wound care, including new techniques, treatments, and available options for wound care treatment.

WHO SHOULD ATTEND

Podiatric Physicians, Residents, Students and Medical Professionals in the Wound Care Field

OBJECTIVES

- Recognize and employ current and new treatments for hard to heal wounds.
- Review the importance of biomechanics and offloading for wound care.
- Recognize when to utilize a multidisciplinary approach for wound care patients.
- Review complex cases for limb salvage and below ankle interventions.
- Discuss wound care coding and documentation.

ACCREDITATION

This Seminar has been accredited by the Ohio Foot and Ankle Medical Foundation Continuing Medical Education Accreditation Committee (the certifying agency in Ohio for podiatry). CME credit is established at 6 Category I contact hours for the State Medical Board of Ohio.

NONDISCRIMINATION

No person shall be denied registration or participation in any continuing education program provided by this Association for reasons of race, religion, sex, national origin or physical ability. This program is ADA Compliant. Please notify OFAMF if you require special accommodation for training or attendance at (614) 457-6269.

REGISTRATION

Register online at www.ohfama.org; FAX at (614) 457-3375; or mail to: OFAMF 2022 Wound Care Seminar,

1960 Bethel Rd Ste 140, Columbus, OH 43220-1815. Make check payable to OFAMF. Registration closes on November 14, 2022. Registrations postmarked after that date will be charged the \$25 late registration fee **without** exception.

CANCELLATIONS

A \$25 administration fee will be charged. Cancellations must be received by OFAMF prior to November 14, 2022. No refunds for cancellations will be honored after that date.

ON-SITE REGISTRATIONS

Online and faxed registration will be closed on November 14; registration cannot be confirmed after that date. For on-site registration, add \$25 to the appropriate registration fee.

CHANGES TO LECTURES OR SCHEDULES

OFAMF reserves the right to adjust or change any lecture or schedule due to unforeseen scheduling conflicts. Note: There are limited spaces and registrations are on a first-come, first-served basis.

FACULTY DISCLOSURE

Each speaker is required to disclose the existence of any financial and/or other relationships (i.e., employee, consultant, speaker's bureau, grant recipient, research support) she or he might have with (a) manufacturer(s) of any commercial product(s) to be discussed during his/her presentation and/or (b) the commercial contributor(s) of the activity. Any such conflict will be announced by the individual introducing the speaker or by the speaker immediately preceding the lecture.

FACULTY

RICHARD SCHILLING, DPM – CHAIRMAN

Dr. Schilling is an esteemed podiatric physician with 20 years of experience. He is licensed in Ohio and is board certified in foot surgery. Dr. Schilling graduated from the Ohio College of Podiatric Medicine in 2002 with a Doctorate of Podiatric Medicine and completed a residency at DePaul Hospital in St. Louis, Missouri, as well as a Fellowship training in Reconstructive Foot and Ankle Surgery at the Weil Foot and Ankle Institute in Des Plaines, IL. Through his education and years of experience, Dr. Schilling has developed specializations in diabetic foot care, sports medicine, reconstructive foot and ankle surgery, and wound care. Dr. Schilling is affiliated with several hospitals in his hometown of Columbus, OH, including Grant Medical Center and

Mount Carmel East Hospital. Dr. Schilling is a past president of the Ohio Foot and Ankle Medical Association and is on the Board of Directors for the Ohio Foot and Ankle Medical Foundation.

SARAH ABSHIER, DPM

Dr. Abshier is in a private practice in Columbus Ohio and is a board-certified wound care specialist. She is the President of OHFAMA and the Ohio Foot and Ankle Medical Foundation. She is an article reviewer for JAPMA. Dr. Abshier has been a speaker and panelist on numerous webinars related to coding and billing and has had numerous articles published regarding proper coding and billing. She has also served as an expert on a wound care patent case. Currently, Dr. Abshier serves on the APMA Coding Committee and in February of 2020 was an APMA Representative at the AMA CPT Editorial Panel.

WINDY COLE, DPM

Dr. Cole is an adjunct professor and Director of Wound Care Research at Kent State University College of Podiatric Medicine. Dr. Cole also serves as the National Director of Professional Development and Clinical Education for Woundtech. She is board certified by the American Board of Foot and Ankle Surgery and the American Board of Wound Management. She has been a dedicated wound care advocate for two decades with interests focused on medical education, diabetic foot care, wound care, limb salvage, & clinical research. She is a feature writer for Podiatry Management and Today's Wound Clinic as well as a contributing writer for Podiatry Today. She is an Editorial Board member of Wound Management and Prevention, Podiatry Today, The Foot Journal and Lower Extremity Review. She is a wound care advocate on the forefront of wound research and was the 2020 World Union of Wound Healing Silver Medal Award recipient for her work in Technology-driven Research.

ROBERT FRIDMAN, DPM

Dr. Fridman is a graduate of New York College of Podiatric Medicine, a Fellow with the ACFAS, a Certified Wound Care Specialist and Diplomate of the American Board of Wound Management. He has a special interest in the field of complex diabetic wounds, bioengineered alternative tissue grafts, acute and chronic tendon injuries, and reconstructive foot surgery. His extensive experience includes Academic Appointment with the Department of Orthopedic Surgery at Columbia University Medical Center and the Department of Surgery at Weill Cornell Medical Center.

KRISHNA MANNAVA, MD

Dr. Mannava practices in Columbus, Ohio and launched Vive Vascular in 2020, the largest freestanding vascular center in the region. He is a graduate of Northeastern Ohio Universities College of Medicine, completed his surgery residency training at Case Western UH of Cleveland and a two-year vascular surgery fellowship at the Ochsner Clinic in New Orleans. He continues to hold academic teaching positions at The Ohio State University Wexner Medical Center and also at Ohio University College of Osteopathic Medicine. While Dr. Mannava provides a comprehensive range of vascular services, his passion is preventing unnecessary amputations in patients with peripheral arterial disease (PAD).

SIMON TABCHI, DPM

Dr. Tabchi completed his medical training at Temple University School of Podiatric Medicine after obtaining his bachelor's degree in Biochemistry from Moravian College. He completed a 3-year residency at Crozer-Keystone Health System in Reconstructive Rearfoot and Forefoot Surgery. He specializes in diabetic wound management, as well as limb salvage and has achieved great success in correcting foot and ankle deformities. He serves as a surgical instructor for the Podiatric Residency of St. Luke's University Health Network. Dr. Tabchi currently practices at PA Foot & Ankle Associates in Allentown, PA, and is a Diplomate of ABFAS, and a Fellow of the ACFAS.

ANTHONY TICKNER, DPM

Dr. Tickner received his podiatric medical degree from the New York College of Podiatric Medicine and completed advanced wound healing training at the Columbia University College of Physicians and Surgeons. Dr. Tickner's innovative techniques have resulted in groundbreaking results. He's expanded the potential of reconstructive and cosmetic surgery, advanced wound healing and offloading, diabetic foot care, biomechanical as well as gait abnormalities, and neuromuscular diseases. He is the founder of Associated Foot Specialists in Holden, MA.

TRACEY VLAHOVIC, DPM

Dr. Vlahovic is a Clinical Professor and graduated from Yale University with a BS in Molecular Biophysics and Biochemistry. She received her medical degree from TUSPM. Dr. Vlahovic was the first podiatrist in the US to complete a fellowship in podiatric dermatology under the supervision of Stephen Schleicher, MD. She is board certified in foot surgery by the ABPS and has authored several articles in peer-reviewed journals.
