About the Instructor

Amy Bidlack, BRST (R) (M)

Amy Bidlack, BRST (R) (M) is a Clinical Instructor at Riverside Hospital for Columbus State Community College and an adjunct professor at Columbus State Community College. She received her Bachelor of Science degree in Allied Health Professions from Ohio State University and is mammography certified. Amy is a member of the American Society of Radiologic Technologists.

About the Course

This Clinical Positioning Course is a podiatric specific positioning course required to be taken by all new GXMO applicants as well as any GXMO's that need to update their license to use digital equipment. The Clinical Positioning Course is intended to develop competency on digital imaging equipment.

Suggested materials: Pens, paper, highlighters—whatever you need to take notes.

Saturday

7:45 AM— Meeting Room Will Open

8:00 AM— 11:00AM

Roll Call, Introduction & Lecture

Virtual Course

Ohio Foot & Ankle Medical Foundation

Due to the COVID-19 Pandemic, courses will be held virtually for all participants safety.

Course handouts will be mailed the week before the course, and login instructions will be emailed the week of the course.

The course will be held via the Go-ToWebinar platform, and instructions will include information on how to download the application prior to the start of the course. Attendees are asked to provide their personal email addresses so that information can be sent directly to the registrant.

Roll call will be taken at the beginning of the course, after lunch and at the end of the course.

Registrants will be able to ask questions in real time to the instructor throughout the presentation.
