# SCHEDULE

6:30 AM

## **REGISTRATION**

7:00-7:45 AM

## **APPROACHES AND OPTIONS TO CONSIDER**

Intro to Wound Care – Basics, Background and Building Blocks for Success with Emerging Thoughts on Peptide Supplementation for Wound Healing – *Richard Schilling, DPM*

7:45-8:30 AM

Wound Care Collaboration, Key Players to the Wound Care Team – *Devin Kramer, MHA, BSN, RN, WCC*

8:30-9:15 AM

Wound Care Made Simple – *Nicholas Campitelli, DPM*

9:15-9:30 AM

Panel Discussion and Questions  
Moderator – *Richard Schilling, DPM*

9:30-10:00 AM

Break – Visit Exhibitors

## **UNDERSTANDING ANTIMICROBIAL & INSULIN RESENSITIZATION THERAPY**

10:00-11:00 AM

Antimicrobial Stewardship in Wound Management – *Windy Cole, DPM*

11:00-11:45 AM

Insulin Resensitization Therapy – *Craig Berg, MD, MBA*

11:45-12:00 PM

Panel Discussion and Questions  
Moderator – *Richard Schilling, DPM*

12:00-12:30 PM

Lunch – Visit Exhibitors

## **UNDERSTANDING CHARCOT RECONSTRUCTION & VASCULAR MANAGEMENT IN WOUND HEALING**

12:30-1:15 PM

The Role of Charcot Reconstruction in Wound Healing: Does the Deformity Need to be Addressed? – *Jessica Knight, DPM*

1:15-2:00 PM

Navigating the Wound Pathway: Vascular Management Pearls for Podiatrists – *Deepak Sudheendra, MD, MChI, RPVI, FSIR*

**Attending the Wound Care Seminar does NOT require attendance at the Annual Business Meeting**

## 2024 Current Concepts and Treatments

# WOUND CARE

## SEMINAR

Hosted by the Ohio Foot and Ankle Medical Foundation

**Saturday, November 16, 2024 | 7:00 AM – 2:00 PM**  
**6 Category I CME Hours**

**Embassy Suites Columbus — Airport**  
**2886 Airport Drive | Columbus, OH 43219**

**THIS ONE-DAY SEMINAR** will present current concepts and treatments for wound care patients. Presentations will include reviewing all facets of wound care, including new techniques, treatments, and available options for wound care treatment.

### WHO SHOULD ATTEND

Podiatric Physicians, Residents, Students and Medical Professionals in the Wound Care Field

### OBJECTIVES

- Discuss the idea of peptide supplementation for wound healing support.
- Recognize the importance of wound care collaboration and how to utilize available tools and resources effectively.
- Discuss algorithms used for treating wounds and discuss when to intervene with surgery.
- Review the concept of antimicrobial stewardship and when to incorporate it in clinical practice.
- Recognize the concept of insulin resensitization therapy and the science behind it.
- Discuss Charcot deformity and how to identify treatment of infection with treatment algorithm.
- Discuss the difference between arterial and venous wounds and learn procedures for managing mixed arterial and venous disease.

### ACCREDITATION

This Seminar has been accredited by the Ohio Foot and Ankle Medical Foundation Continuing Medical Education Accreditation Committee (the certifying agency in Ohio for podiatry). CME credit is established at 6 Category I contact hours for the State Medical Board of Ohio.

### NONDISCRIMINATION

No person shall be denied registration or participation in any continuing education program provided by this Association for reasons of race, religion, sex, national origin or physical ability. This program is ADA Compliant. Please

notify OFAMF if you require special accommodation for training or attendance at (614) 457-6269.

### REGISTRATION

Register online at [www.ohfama.org](http://www.ohfama.org); FAX at (614) 457-3375; or mail to: OFAMF 2024 Wound Care Seminar, 1960 Bethel Rd., Suite 140, Columbus, OH 43220-1815. Make check payable to OFAMF. Registration closes on November 11, 2024. Registrations postmarked after that date will be charged the \$25 late registration fee without exception.

### CANCELLATIONS

A \$25 administration fee will be charged. Cancellations must be received by OFAMF prior to November 11, 2024. No refunds for cancellations will be honored after that date.

### ON-SITE REGISTRATIONS

Online and faxed registration will be closed on November 11, 2024; registration cannot be confirmed after that date. For on-site registration, add \$25 to the appropriate registration fee.

### CHANGES TO LECTURES OR SCHEDULES

OFAMF reserves the right to adjust or change any lecture or schedule due to unforeseen scheduling conflicts. Note: There are limited spaces and registrations are on a first-come, first-served basis.

### FACULTY DISCLOSURE

Each speaker is required to disclose the existence of any financial and/or other relationships (i.e., employee, consultant, speaker's bureau, grant recipient, research support) she or he might have with (a) manufacturer(s) of any commercial product(s) to be discussed during his/her presentation and/or (b) the commercial contributor(s) of the activity. Any such conflict will be announced by the individual introducing the speaker or by the speaker immediately preceding the lecture.

---

## FACULTY

### RICHARD SCHILLING, DPM — CHAIRMAN

Dr. Schilling is an esteemed podiatric physician with 20 years of experience. He is licensed in Ohio and is board certified in foot surgery. Dr. Schilling graduated from the Ohio College of Podiatric Medicine in 2002 with a Doctorate of Podiatric Medicine and completed a residency at DePaul Hospital in St. Louis, Missouri, as well as a Fellowship training in Reconstructive Foot and Ankle Surgery at the Weil Foot and Ankle Institute in Des Plaines, IL. Through his education and years of experience, Dr. Schilling has developed specializations in diabetic foot care, sports medicine, reconstructive

foot and ankle surgery, and wound care. Dr. Schilling is affiliated with several hospitals in his hometown of Columbus, OH, including Mount Carmel East Hospital. Dr. Schilling is a past president of the Ohio Foot and Ankle Medical Association and is on the Board of Directors for the Ohio Foot and Ankle Medical Foundation.

### CRAIG BERG, MD, MBA

Dr. Berg is a private practice neurosurgeon who opened his Columbus based practice after serving a 10-year military career as a neurosurgeon. In addition to brain and spine surgery, he has a passion for the holistic treatment of his patients, which led to his interest in insulin resensitization therapy.

### NICHOLAS CAMPITELLI, DPM

Dr. Campitelli is a distinguished podiatric surgeon, known nationally for his expertise in minimally invasive bunion surgery. He graduated from the Ohio College of Podiatric Medicine in 2001 and completed his residency at Millcreek Community Hospital in Erie, PA, from 2001 to 2004. Following his residency, Dr. Campitelli began his practice in Erie before relocating to Akron, Ohio. In 2015, he joined the multispecialty group Unity Health Network, where he has since become the primary foot and ankle surgeon for the group and Western Reserve Hospital. He currently serves as the Chief of Podiatry at both Western Reserve Hospital and UH Portage Medical Center. Additionally, Dr. Campitelli is a consultant for Arthrex, contributing his expertise to the development of innovative surgical techniques and tools. He is board-certified by the American Board of Foot and Ankle Surgery in foot surgery and reconstructive rearfoot and ankle surgery.

### WINDY COLE, DPM, CWSP

Dr. Cole holds a BA in biology from the University of Cincinnati and is also an honor graduate from the Kent State University College of Podiatric Medicine (KSUCPM). She is an adjunct professor and Director of Wound Care Research at KSUCPM. She is board certified by the American Board of Foot and Ankle Surgery and the American Board of Wound Management. She has been a dedicated wound care advocate for two decades with interests focused on medical education, diabetic foot care, wound care, limb salvage, & clinical research. Dr. Cole has published many peer-reviewed and industry articles on these topics and is a sought-after speaker both nationally and internationally. She is a feature writer for Podiatry Management and Today's Wound Clinic, as well as a contributing writer for Podiatry Today. She is an Editorial Board member of Wound Management and Prevention, Podiatry Today, The Foot Journal, Wound Masterclass, Podiatry Management and Lower Extremity

Review. She is also the Podiatry Section Editor for the ePlasty Journal and a Guest Editor for Foot and Ankle Quarterly. She is on the forefront of wound research and was the 2020 World Union of Wound Healing Silver Medal Award recipient for her work in Technology-driven Research and the 2022 recipient of the Kaplan-Kanat Memorial Lecture Award. Dr. Cole sits on the advisory board of multiple emerging biotech companies and has been integral in collaborating on innovative research protocols.

### JESSICA KNIGHT, DPM

Dr. Knight is a fellowship trained, board certified, foot and ankle surgeon specializing in limb lengthening, deformity correction and limb salvage of the lower extremity. Additionally, Dr. Knight has over ten years of experience in mission work in Honduras for the treatment of children with congenital birth abnormalities such as clubfoot, talipes equinovagum, and fibular hemimelia.

### DEVIN KRAMER, MHA, BSN, RN, WCC

Devin has been a nurse since 2010 when he graduated from Cedarville University in Cedarville, Ohio. Upon graduation Devin worked as a Nurse Officer in the United States Public Health Service (USPHS). He was stationed in the Federal Bureau of Prisons and worked for Federal Prisons in both Hazelton, WV, and Lexington, KY. While in Kentucky, Devin completed the WCC course and exam in 2016 and co-lead the wound care program at Federal Medical Center Lexington Prison. Devin moved back to Ohio and has worked at Bon Secours Mercy Health Wound Care Clinic in the role of Case Manager, Clinical Coordinator, Nurse Supervisor, and currently Regional Manager where he oversees two Outpatient Wound Clinics and Hyperbaric departments and the inpatient wound teams at two hospitals. Devin recently completed his Masters in Healthcare Administration at the University of Cincinnati.

### DEEPAK SUDHEENDRA, MD, HCI, RPVI, FSIR

Dr. Sudi is a Board-Certified Vascular and Interventional Radiologist internationally known for his expertise in treating complex vascular disease. In 2023, he established the 360 Vascular Institute, a cutting-edge outpatient center that boasts national accreditation and embodies Dr. Sudi's vision of unparalleled, comprehensive vascular care. He was an Assistant Professor of Interventional Radiology & Surgery at the University of Pennsylvania Perelman School of Medicine. For over a decade, he cultivated a thriving practice focused on peripheral arterial disease (PAD) and critical limb ischemia while pioneering the DVT and Complex Venous Disease Program at the prestigious Hospital of the University of Pennsylvania.
